Dear Alumni and Friends,

We are delighted to offer this once-in-a-lifetime Baltic Sea travel program featuring, by special arrangement, the rare opportunity to hear enriching speeches by two historic world leaders—former President of the Soviet Union **Mikhail Gorbachev** and former President of Poland **Lech Wałęsa**. This unique opportunity to experience one of the great cruises of the world starts in Norway, cruising through the spectacular Oslo Fjord, and includes visits to five Baltic capitals and six UNESCO World Heritage sites.

Join us aboard the exclusively chartered, Five-Star Small Ship *M.S. LE BORÉAL* to experience the cultural rebirth of the Baltic States and the imperial riches of St. Petersburg. In the tradition of ancient Viking mariners and mediaeval merchants, cruise under the glistening White Nights of summer from Norway's beautiful and sophisticated capital city of Oslo to the exceptionally "green" and cosmopolitan Stockholm, Sweden. Discover the stunning architecture of Helsinki, Finland; spend two days in regal St. Petersburg, including a tour of the world-acclaimed State Hermitage Museum and visits to the Peter and Paul Fortress and the spectacular czarist palaces at Petrodvorets and Pushkin; enjoy the well-preserved mediaeval Old Town of Tallinn; and immerse yourself in the historic epicentre of the Solidarity movement in Gdańsk, Poland.

Enjoy this comprehensive look at the diverse countries bordering the Baltic Sea, featuring an included shore excursion in each port led by expert, English-speaking guides. Please note that activities and services are offered in English only. I urge you to place your reservation soon, as space sells quickly for this exceptional opportunity!

Sincerely,

## Distinguished World Leaders

### *Mikhail Gorbachev*

Hear from Mikhail Gorbachev, former President of the Soviet Union (1985-1991) and one of the 20<sup>th</sup> century's most pivotal leaders who ended the 50 years of nuclear brinkmanship known as the Cold War. During our private engagement, President Gorbachev will speak about the Soviet Union's evolution into modern Russia and his introduction of glasnost and perestroika, catalysts for the inception of democracy in Russia and Eastern Europe. Gorbachev built an extraordinary relationship between the Soviet Union and the United States at that time, and in so doing was awarded the 1990 Nobel Peace Prize. Retired from politics, Gorbachev continues to strive toward achieving his global vision of peace through the Gorbachev Foundation, founded in 1992 and dedicated to addressing the challenges of the post-Cold War world, and Green Cross International, founded in 1993 with the mission of securing a just and sustainable future through global interdependence and shared responsibility in humanity's relationship with nature.

### *Lech Wałęsa*

By exclusive arrangement, Lech Wałęsa, former president of Poland, Polish hero and international symbol of the pursuit of freedom and democracy, will meet with our group in Gdańsk to discuss his perspective on world progress through globalization. A worker in Gdańsk's Lenin Shipyard, Wałęsa emerged as a worldwide symbol of the resistance against Communism during the shipyard workers' strike of 1980 and the establishment of the Solidarity labour movement. Despite winning the right to form an independent union, Wałęsa and Solidarity were forced to continue their struggle against the Soviet-backed regime of General Jaruzelski, which jailed Wałęsa and imposed martial law in Poland in December 1981. In 1983, Wałęsa received the Nobel Peace Prize, a watershed moment widely considered to have been the first crack in the Soviet Union's Iron Curtain that crumbled with the Berlin Wall in 1989. Only the third foreign dignitary, after the Marquis de Lafayette and Winston Churchill, to address a joint session of the U.S. Congress in 1989, Wałęsa served as President of Poland from 1990 to 1995.
