## The benefits of monthly giving

- Enables you to budget your charitable giving more easily by spreading your donations over the year, while receiving a single consolidated receipt at year-end.
- Puts you in control of your giving. You may cancel your monthly donation at any time.
- Provides a reliable source of income, helping us to plan ahead and maximize your investment.
- Saves on administration costs, putting more of your monthly dollars to work in support of the University.

## Corporate-matching gifts

Double or triple the impact of your gift with the help of your employer. Hundreds of companies in North America will match contribution made by their employee to the University of Ottawa.

Contact your Human Resources department to obtain a matching gift form and complete your portion. Then, include the form when you send in your gift to the University and we will take care of the rest.

To find if your company has a matching gift program, visit [www.matchinggifts.com/canada/uOttawa](http://www.matchinggifts.com/canada/uOttawa).

## Tabaret Society
